SR 204 INTERCHANGE PROJECT HITS MILESTONE: Traffic Shifts to Ramps – Bridge Construction Begins

WHAT: In conjunction with the \$26.9 million interchange construction project on State Route (SR) 204 at King George Boulevard in Chatham County, traffic will be shifted off SR 204 near King George Boulevard in Chatham County this weekend. The shift will move SR 204 traffic to the newly constructed ramps on the north side of mainline of SR 204. Westbound traffic will be shifted onto the ramps then Eastbound traffic. Single lane closures in both directions can be expected throughout the weekend.

Local law enforcement will be utilized for traffic control to maximize safety. Motorists traveling through this work zone should expect major delays as the contractor facilitates the traffic shift. Motorists are reminded to pay special attention to law enforcement, traffic control devices, signs and posted speed limits to ensure safe passage through the area.

This traffic shift completes phase one of this interchange construction project and phase two begins with the construction of the bridge over King George Boulevard.

WHEN: 5 a.m., Saturday, May 14 continuing through 7 a.m., Monday, May 16, weather permitting.

WHERE: SR 204 near King George Boulevard in Chatham.
